## **Update on the Results of the Investigation into Improper Quality Control Practices (First Report)**

**TOKYO, October 1, 2021** – [Mitsubishi Electric Corporation](https://www.mitsubishielectric.com) (TOKYO: 6503) announces today receipt of the report by an Investigative Committee of external experts (Chaired by Hiroshi Kimeda, Partner (Attorney-at-law), Nishimura & Asahi, previously announced on July 2, 2021) into the non-compliance of third-party certification of electromagnetic switches manufactured by the company’s Kani Plant of Nagoya Works (Kani City, Gifu Prefecture, announced on May 7 and July 21) and the improper inspection practices of HVAC and other products for railcars manufactured at Nagasaki Works (Togitsu Town, Nishisonogi District, Nagasaki Prefecture, announced on June 30), as part of the investigation it has been tasked with in relation to incidents involving quality-related improper practice at Mitsubishi Electric.

The investigation into quality practices at all of the company’s manufacturing sites and plants(all 22 facilities) will continue, and the company plans to report roughly every three months on the findings of the investigation and progress and developments regarding the steps the company is taking. The company aims for the investigation to be completed by April 2022 and will then proceed with investigations into its group companies.

Mitsubishi Electric would like to reiterate its sincere apologies to all customers, valued stakeholders, and broader society for the impact of these incidents.

The company takes the findings and recommendations of the report very seriously and is committing to work as one Mitsubishi Electric Group to both prevent future recurrence and on reform so that the company can regain trust.

For information on measures taken by the company in response to the findings of the Investigative Committee’s report to prevent future recurrence, please refer to the separate announcement made by the company “Update on investigation into improper quality control practices and implementation of reform roadmap (First Report)” on October 1, 2021.
