TOKYO, December 1, 2021 – Mitsubishi Electric Corporation (TOKYO: 6503) announced today that the ISO9001 certifications for the company’s Fukuyama Works (Fukuyama-city, Hiroshima Prefecture) have been temporarily suspended by Bureau Veritas Japan Co., Ltd., effective December 1, in connection with improper quality control practices for UL489-listed low-voltage circuit breakers at the Works, as announced on September 1.

Mitsubishi Electric is currently taking corrective actions to enable the certifications to be promptly reinstated. The ISO 9001 certification (ISO:2015/JIS Q 9001:2015; Certificate / Reference number – JP018884 / 4418404) is an international standard for quality management systems.
