## **Withdrawal of ISO 9001 and IRIS Certifications for Mitsubishi Electric's Itami Works**

**TOKYO, July 27, 2022** – [Mitsubishi Electric Corporation](#) (TOKYO: 6503) announced today that the ISO 9001 and IRIS certifications for the company's Itami Works (Amagasaki-city, Hyogo Prefecture) have been withdrawn by Lloyd's Register Quality Assurance Limited, effective July 27. This follows a special assessment conducted in the wake of the temporary suspension of the said certifications effective June 16, in connection with the certain quality-related conduct for railcar equipment at the works, as announced on May 25.

Mitsubishi Electric will make every effort to promptly reacquire certifications. The ISO 9001 certification (ISO9001:2015 / JIS Q 9001:2015; registration number ISO 9001 – 00020989) is an international standard for quality management systems. The IRIS certification (IRIS Certification® Conformity assessment:2020 and based on ISO/TS 22163:2017; registration number YKA00000884) is an international standard for the railway industry.
